ANNEXURE

(To G.O.Ms No.18, Animal Husbandry Dairy Development & Fisheries (AH.II) Department, dated: 05 .07.2022)

MEMORANDUM OF UNDERSTANDING

Between

M/s. Andhra Pradesh Centre for Advanced Research on Livestock Limited (APCARL) A Government of Andhra Pradesh undertaking represented by its Chief Executive Officer, Dr. Y. Ramana Reddy (hereinafter called APCARL which expression shall, where the context so admits, include its successor's and permitted assigns) of the second part.

And

M/s NuTech Biosciences India Private Limited, a company incorporated under the Companies Act, 2013 represented by Mrs. V. Praveena, as its Director having registered office at Plot No.5/4, Sy.No.48, Kattedan, Hyderabad, Telangana 500077 and having residential address at Hyderabad, of the first part.

WHEREAS, both sides recognize the need to promote mutual cooperation by expanding bilateral collaborative relationship to establish a company by M/s NuTech Biosciences India Pvt. Ltd. on research and production of livestock, poultry and aqua based feed additives at APCARL, Pulivendula, YSR Kadapa District, Andhra Pradesh; and

WHEREAS, both parties realize the significance of collaborative research and development of value added feed additives in the feeding of livestock; and appreciate the facilities at APCARL, Pulivendula, YSR Kadapa District: and

WHEREAS, the APCARL, Pulivendula and NuTech Biosciences, Hyderabad agreed on the importance of infrastructure available at APCARL, Pulivendula and also to build required new structures completely by M/s NuTech Biosciences as per the standards to prepare, process and manufacture feed additives of livestock, poultry and aqua importance.

WHEREAS, the APCARL, Pulivendula and NuTech Biosciences, Hyderabad welcome mutual cooperation for establishing facility for research, development and production of various feed additives at APCARL, Pulivendula, YSR Kadapa District, Andhra Pradesh.

THEREFORE, the APCARL and NuTech Biosciences will enter into this Memorandum of Understanding on ---------- in principle as follows:

1. NuTech Biosciences will establish research and development facility along with manufacturing unit on its cost in the land that is provided by the APCARL.
2. NuTech Biosciences is requesting 10 acres of land for their facilities construction.
3. NuTech Biosciences is requesting APCARL to utilize their space and living quarters for a fee which is prescribed by APCARL.
4. NuTech Biosciences is also requesting APCARL in facilitating power supply to the unit, if possible at discounted rates.
5. NuTech Biosciences is requesting APCARL in the recruitment of farmers for training in livestock nutrition and management.
6. NuTech Biosciences will try to recruit local eligible candidates for employment in their company, since the space and land lease prices are at nominal rates.
7. This memorandum of Understanding is subject to due diligence about the capability and feasibility of the technology following Government procedures and rules in vogue and execution of various other agreements such as collaboration, business/project development and lease agreement etc.,

In witness whereof, the parties have set respective hands and seals to these presents through their duly authorized representatives on the date first above written.

For APCARL

Dr. Y Ramana Reddy, CEO

For NuTech Biosciences India (P) Ltd.

V. Praveena, Director

Dr. POONAM MALAKONDAIAH
SPECIAL CHIEF SECRETARY TO GOVERNMENT (FAC).
